

A building department exists for one purpose-----to serve the public by ensuring that the safety contemplated by its various codes become an accomplished fact.

Building Department

Inspection is the art of observation, and comparing to some standard-- “Florida Building Code”... It involves the use of judgment and the application of skills gained by a combination of experience, education and training.

Building Department

The building code attempts to provide only the amount of quality which is necessary to ensure structural reliability and required fire and life safety protection... "Think minimum code".

Building Department

Building departments charge fees for permits and services. These fees are intended to defray costs of operating the department.

Building Department

The Code Enforcement Division is responsible for the enforcement of municipal codes... "Land Development Code"...zoning related.

Code Enforcement

Code Enforcements' purpose is to promote the health, safety and welfare of the citizens of this community

Code Enforcement

Through proactive as well as reactive enforcement we attempt to ensure that all citizens have the right to live in a sanitary and aesthetically pleasing environment.

Code Enforcement

We ensure that various businesses and contractors that operate within the City of Zephyrhills are properly licensed and insured. “ Business Tax Receipt”

Building Department/Code Enforcement
