Petitions received later than the last business day or petitions that are determined to be incomplete will be placed on the agenda of the next SPR meeting. The SPR Committee (staff) will recommend or deny forwarding the Petition to the Planning Commission.

3. Approximately one week before the public hearing, a sign will be placed on the subject property notifying the general public of the hearing.
4. The petitioner or his authorized representative shall appear at the Planning Commission hearing. After considering the recommendation of the staff and comments by the petitioner and the public, the Planning Commission will make a recommendation to City Council to approve, deny, or approve the request with conditions.
5. The recommendation of the Planning Commission will be forwarded to the City Council, typically for its agenda on the third Wednesday of the month following the PC meeting.
